

How to download your assistive software

1. Go to <http://quotes.wyvernlearning.co.uk/>
2. Enter your Username (main email address) and Password (User ID) in the designated fields, shown in the image below.
3. Press **Login**. This will now direct you to your Student Control Panel

The image shows the login page for Wyvern learning. At the top is the Wyvern learning logo, with 'Wyvern' in white on a red background and 'learning' in white on a purple background. Below the logo are two input fields: 'Username:' with the text 'bugs@wbs.uk.com' and 'Password:' with five dots. A red 'LOGIN' button is positioned to the right of the password field.

4. Select **View Order & Serial Keys**

Student Control Panel

Welcome Student 5 Test

The image shows a screenshot of the Student Control Panel. On the left is a sidebar with 'Student Control Panel' and 'My Orders'. The main area is titled 'My Orders' and contains a table with five rows of order data. The 'View Order & Serial keys' column in the first row is circled in red.

Order ID	Status	Action	Order Type
DOC0061011	Contribution Paid	View Order & Serial keys	Booked
DOCX14518	Contribution Paid	View Order & Serial keys	Booked
CON23341	Contribution Paid	View Order & Serial keys	Booked
DOC252545	Contribution Paid	View Order & Serial keys	Booked
DOCX26268	Contribution Paid	View Order & Serial keys	Booked

The list of Assistive software you have been provided with, will be listed in the window shown below under **Your Order** section.

5. Select **Download Software**

Download Software

6. A Zip file will be downloaded. Please check your Downloads folder.

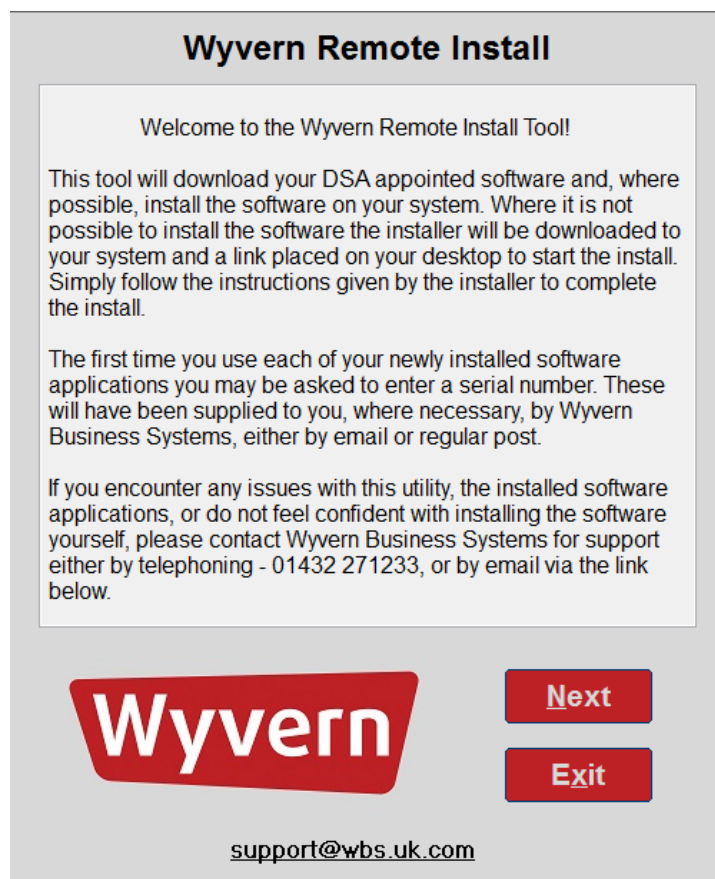

7. Once downloaded, you will need to **Extract All**. To do this you can right click on the download and select **Extract All** from the menu as shown in the image.

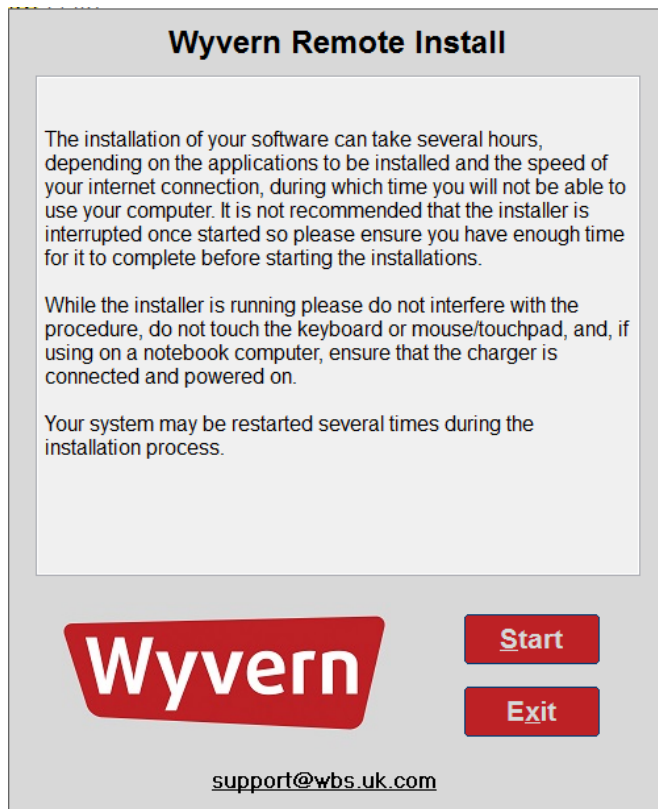

8. Double click on the **WBSSoftware** folder
9. Run **Wyvern Remote Install Tool** and

Name	Date modified	Type	Size
 softopt	13/05/2016 09:57	Configuration sett...	1 KB
 Wyvern Remote Install Tool	13/05/2016 09:57	Application	8,170 KB

10. You will be asked “Do you want the following program to make changes to this computer?”. Select **Yes**.
11. Please read the information provided on the **Wyvern Remote Install** window and select **Next**.

12. Please read the information provided on the **Wyvern Remote Install** window and select **Start** if you wish to continue.

Your computer will restart multiple times during the download/installation process. **Please DO NOT use your computer during this process.**

Once the installation is complete you should see the following window.
